

Women’s Health Revenue Cycle Team

Contacts: Richard Gainor (General Revenue Cycle); Diane Lehman (Coder Team)

Our Goals:

- bill timely and accurately
- maximize reimbursement as appropriate
- eliminate unnecessary steps
- assist in the education physician and office staff to aid billing process

Each Women’s Health doctor is assigned to at least 1 team of coders.

Within each team there is a primary coder for each physician. A listing of the coders by department is depicted below.

Physicians can reach out to the coding teams via the contact listed below or by contacting Diane Lehman, if they have any questions about the process for coding and submitting their services for payment.
